## Selection Page of Data Entry Operator

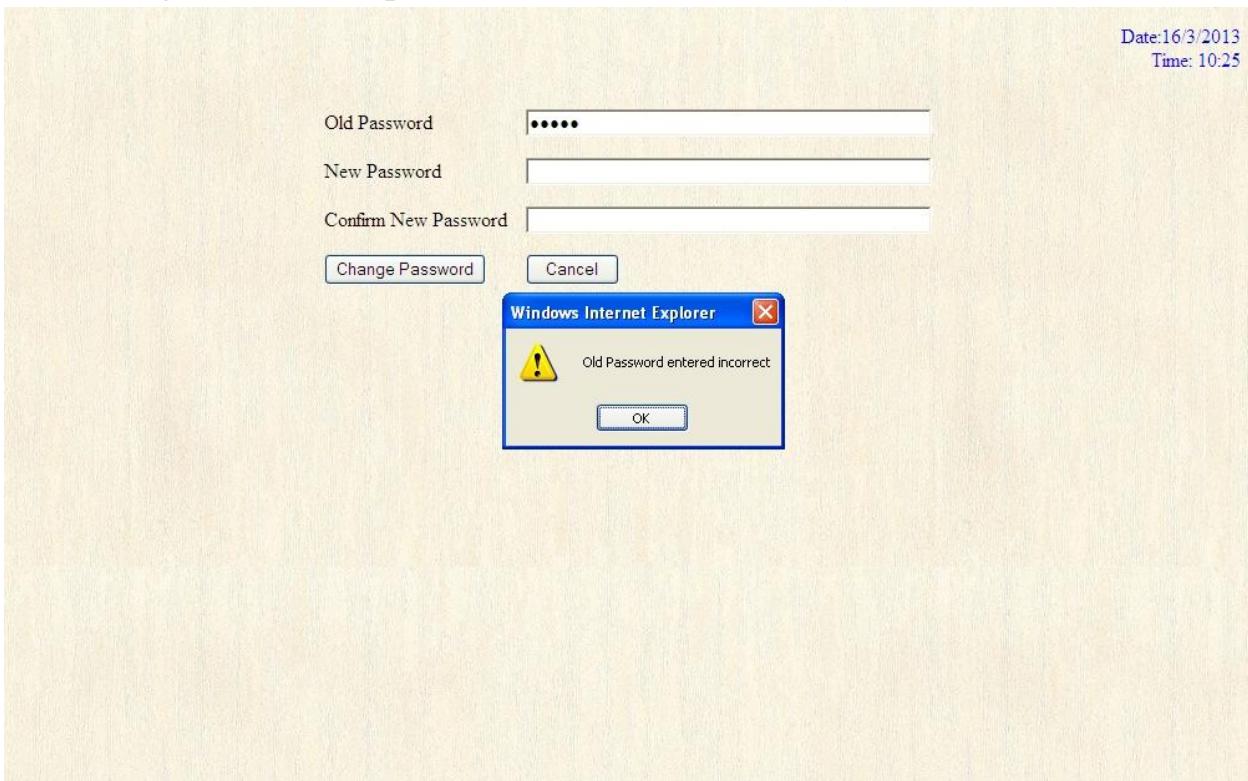

1.4 When user wants to change his password the following page is displayed.

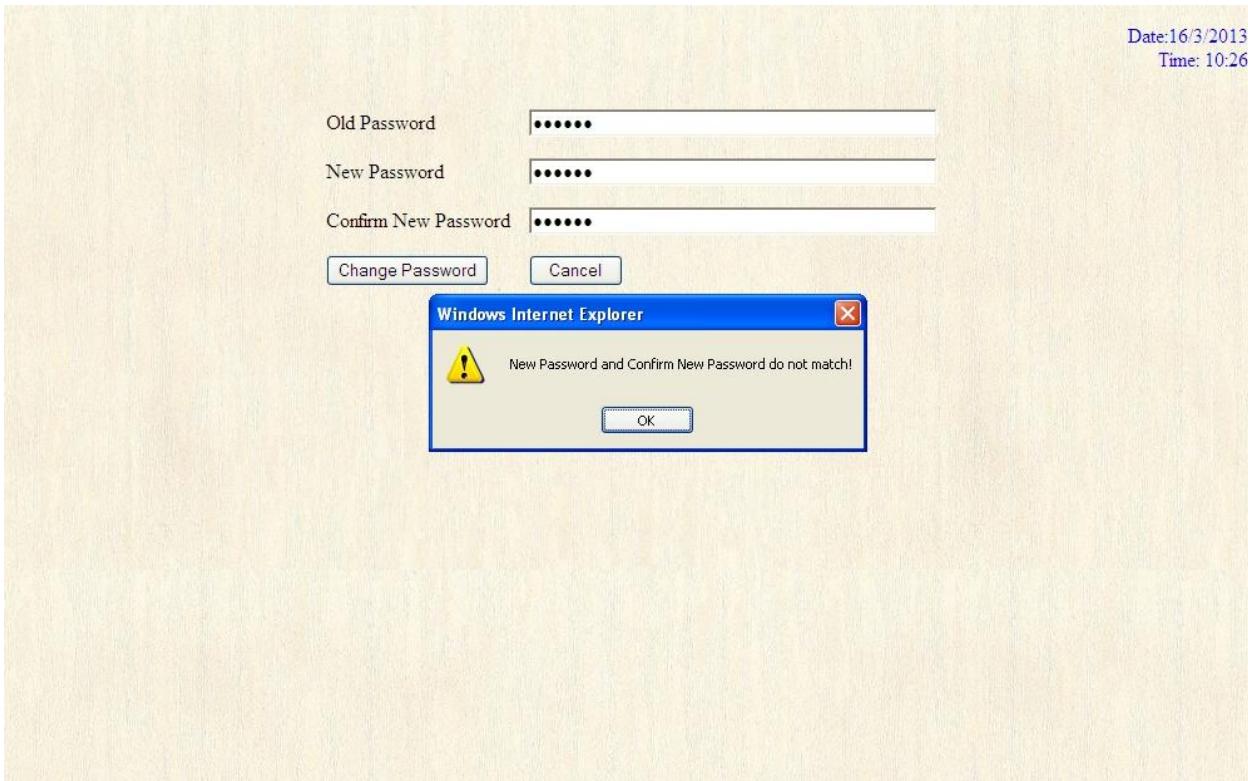

# CYBERIANS

On entering incorrect old password

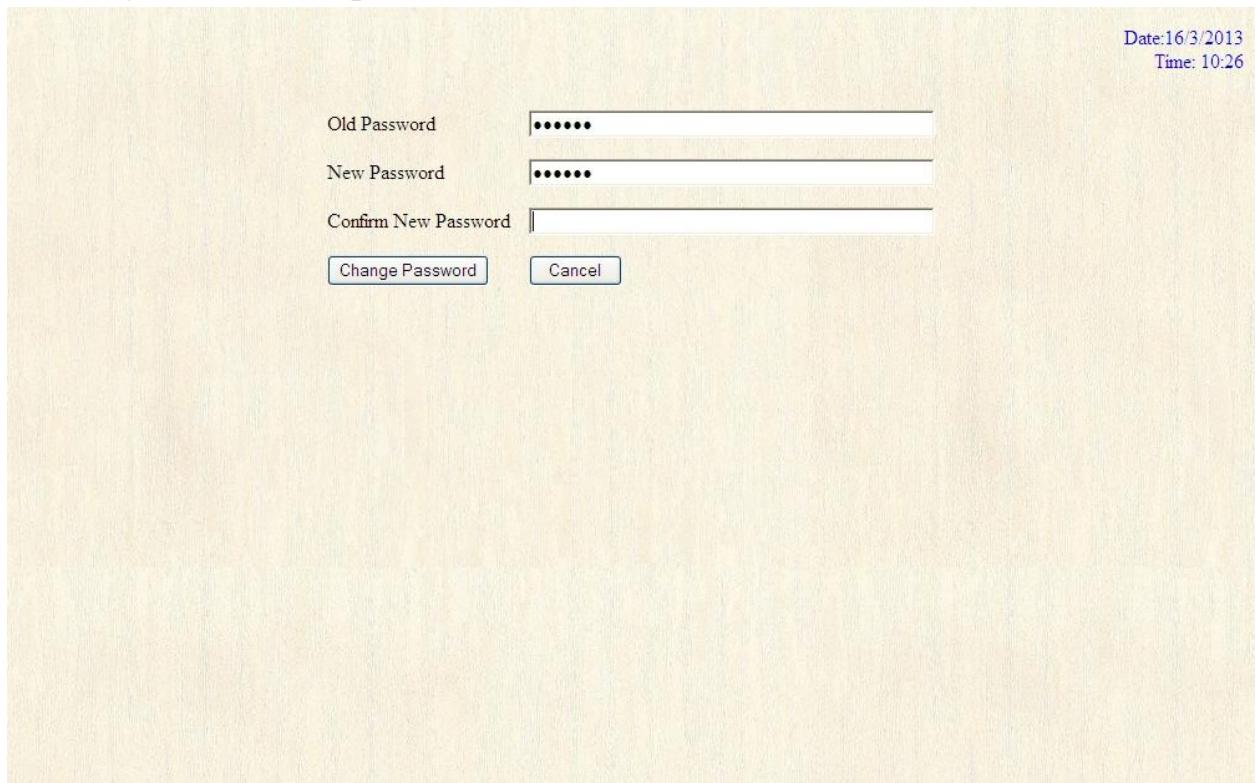

The user will be asked to reenter the password and user should correctly confirm the new password

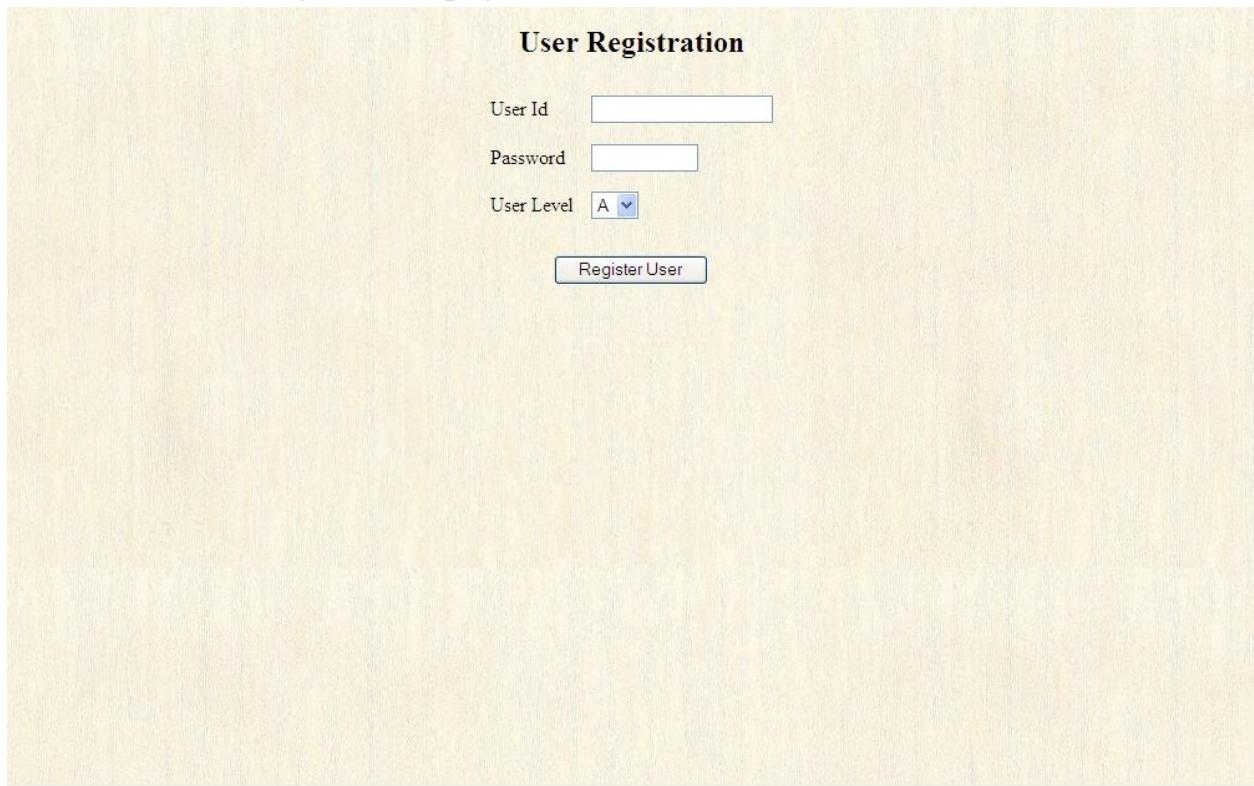

Correctly confirm new password

A screenshot of a password change confirmation interface. At the top right, it shows "Date: 16/3/2013" and "Time: 10:26". The form contains three input fields: "Old Password" with the value "\*\*\*\*\*", "New Password" with the value "\*\*\*\*\*", and "Confirm New Password" which is empty. Below the fields are two buttons: "Change Password" and "Cancel".

## 2. User Registration

2.1 This is the user registration page.

A screenshot of a user registration form titled "User Registration". It includes fields for "User Id" (empty), "Password" (empty), and "User Level" (a dropdown menu set to "A"). A "Register User" button is located below the form.

# CYBERIANS

## 2.2 The user Id should be unique

User Registration

User Id: sheetal

Password: \*\*\*\*\*

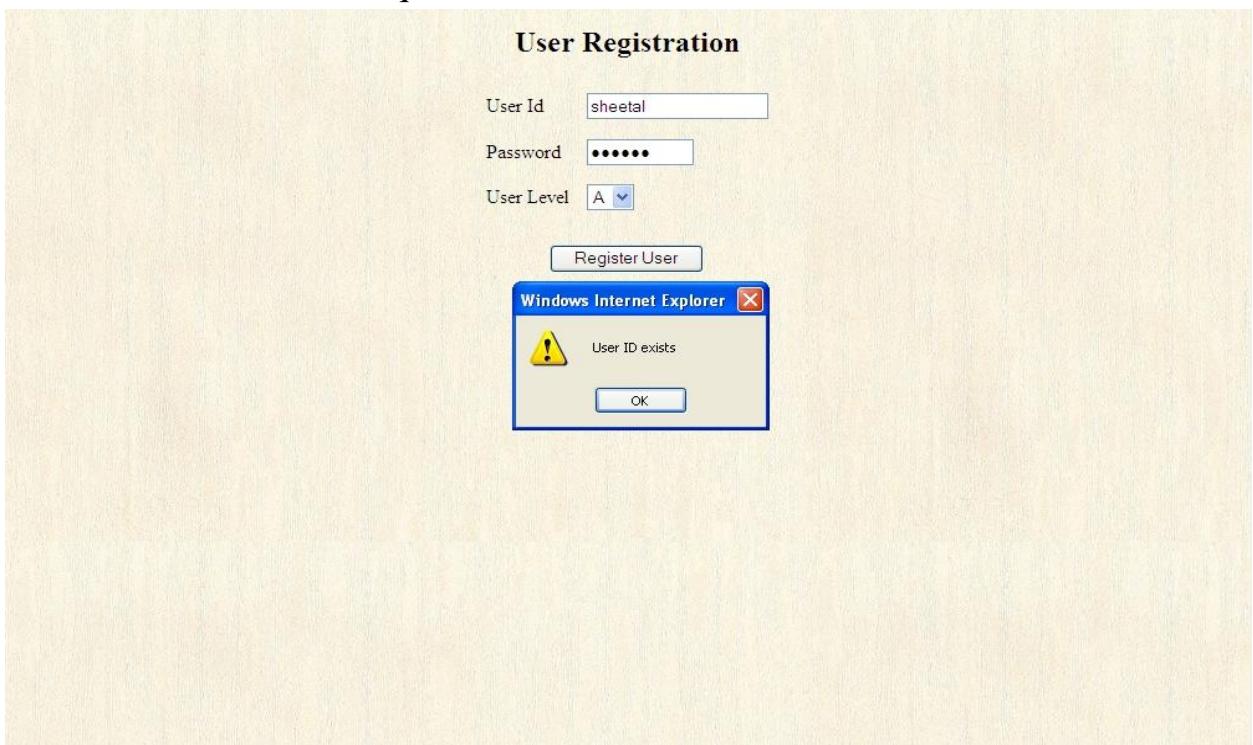

User Level: A

Register User

Windows Internet Explorer

User ID exists

OK

## 2.3 On entering the fields correctly, the user registration is successful.

User Registration

User Id: abcd

Password: \*\*\*\*

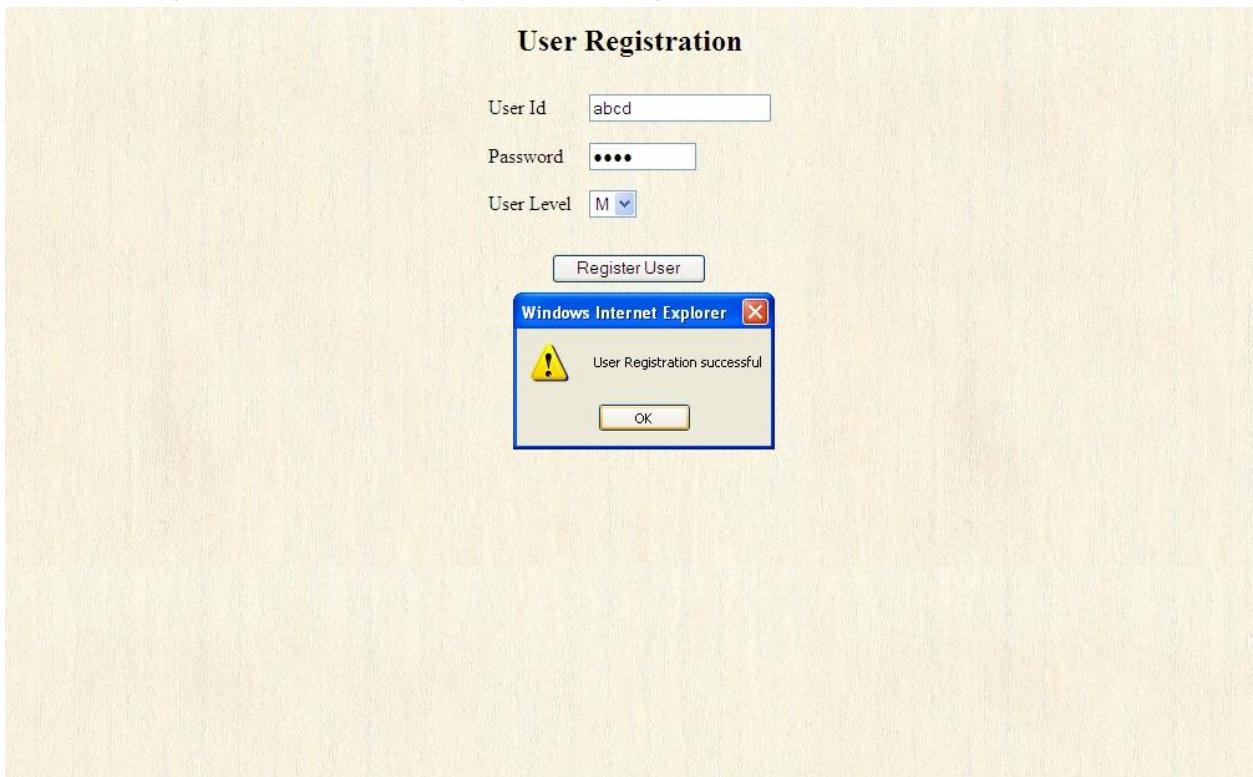

User Level: M

Register User

Windows Internet Explorer

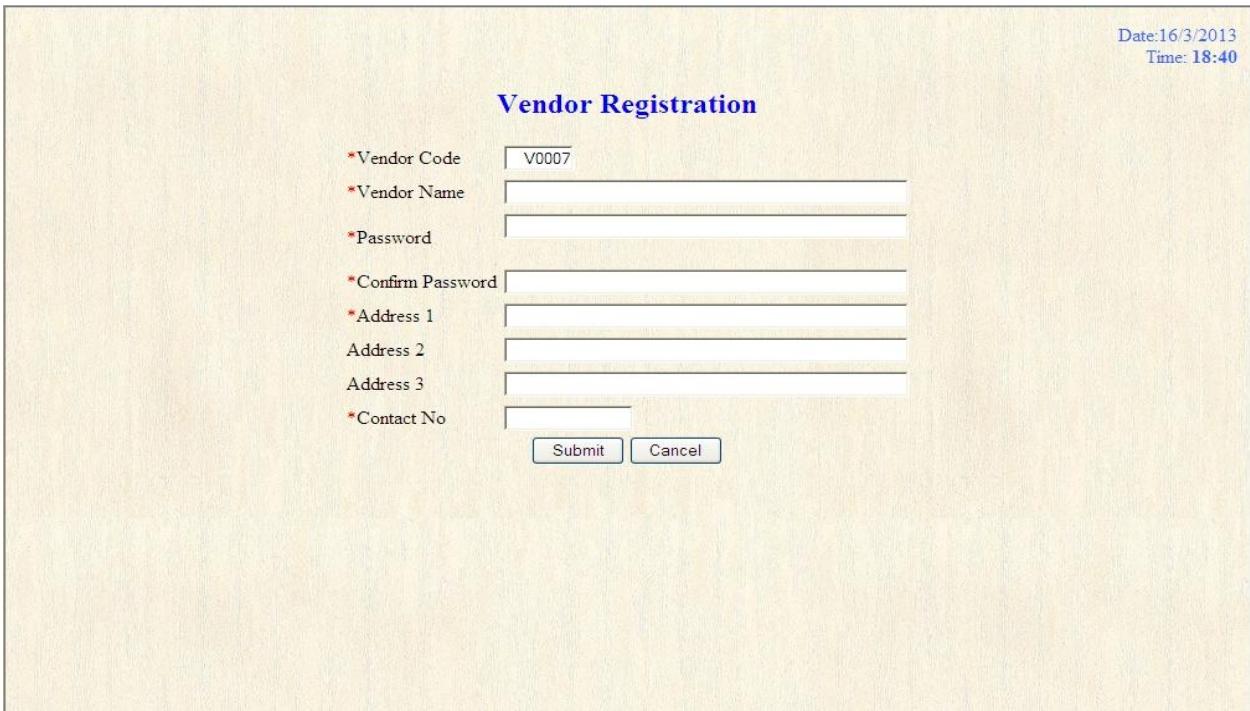

User Registration successful

OK

### 3. Vendor Registration

3.1 The vendor registration looks like this.

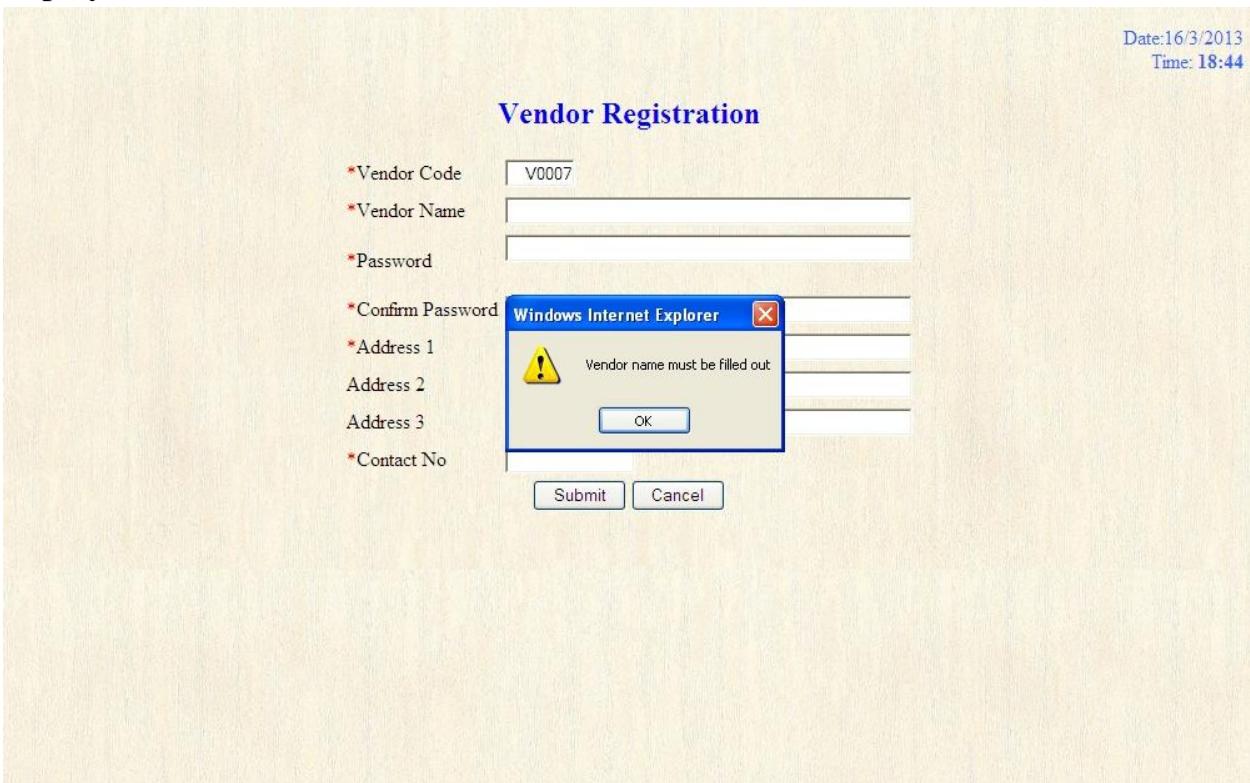

Date: 16/3/2013  
Time: 18:40

**Vendor Registration**

*Vendor Code	V0007
*Vendor Name	
*Password	
*Confirm Password	
*Address 1	
Address 2	
Address 3	
*Contact No	

Submit Cancel

3.2 The user fill in all the mandatory fields or an error message will be displayed.

Date: 16/3/2013  
Time: 18:44

**Vendor Registration**

*Vendor Code	V0007
*Vendor Name	
*Password	
*Confirm Password	
*Address 1	
Address 2	
Address 3	
*Contact No	

Windows Internet Explorer

Vendor name must be filled out

OK

Submit Cancel

## ii. Update

When the user clicks on **update**, he will be asked to enter the item code

**cyberians automobiles**

**Item Master**

Selected Mode: **Update**

Item Code	0012	* Item Name	
Units	NOS	* Opening quantity in hand	
* Opening Rate		Opening Value	
* Purchase Rate Limit		Closing Rate	
* Danger Reorder Quantity		* Maximum Quantity	
Current Quantity		Closing Value	
Received Quantity		Issued Quantity	
Last Purchase Rate			

**Add** **Update** **Delete** **Save** **Generate Report** **Cancel** **Exit**

# CYBERIANS

When the user clicks on the **tab** button after changing the details, he will be asked confirmation if he wants to update the record.

The screenshot shows the 'Item Master' application interface. At the top right, it says 'Selected Mode: Update'. Below the title, there are several input fields for item details: Item Code (10012), Units (NOS), \*Opening Rate (20000), \*Purchase Rate Limit (21000), \*Danger Reorder Quantity (20), Current Quantity (100), Received Quantity (0), Last Purchase Rate (0), Closing Rate (21000), Maximum Quantity (200), Closing Value (2100000), and Issued Quantity (0). A 'Windows Internet Explorer' confirmation dialog box is overlaid on the screen, asking 'Do you want to update this item status?' with 'OK' and 'Cancel' buttons. At the bottom are buttons for Add, Update, Delete, Save, Generate Report, Cancel, and Exit.

When the user fills the details and then clicks on the **save** button he will be shown the following screen

The screenshot shows the 'Item Master' application interface after saving changes. The confirmation dialog box has disappeared, and instead, a success message box is displayed, stating 'Item updated successfully' with an exclamation mark icon and an 'OK' button. The rest of the screen remains the same as the previous screenshot, showing the same input fields and layout.

On clicking cancel instead of ok, the page will be refreshed.

# CYBERIANS

### iii. Delete

When the user clicks on the **Delete** button, he will have to enter a correct code of the item which he wants to delete. After entering the code the following message will be displayed.

**cyberians automobiles**

**Item Master**

Selected Mode:

Item Code	I0012	* Item Name	radiator
Units	NOS	* Opening quantity in hand	100
* Opening Rate	20000	Windows Internet Explorer <span style="float: right;">X</span>	
* Purchase Rate Limit	21000	Do you want to delete this item?	
* Danger Reorder Quantity	30	OK	Cancel
Current Quantity	100	Closing Value	2100000
Received Quantity	0	Issued Quantity	0
Last Purchase Rate	0		

**Current Status of Item Master**

Item Code	Item Name	Units	Opening Quantity	Opening Rate	Opening Value	Purchase Rate Limit	Closing Rate	Danger Reorder Quantity	Maximum Quantity	Current Quantity	Closing Value	Received Quantity	Issued Quantity	Last Purchase Rate
Done														

Trusted sites   

# CYBERIANS

If the item quantity is not zero then an error will be generated.

The screenshot shows the 'Item Master' application interface. At the top, it says 'cyberians automobiles'. Below that is a blue header bar with 'Item Master'. On the right, there's a 'Selected Mode' dropdown set to 'Delete'. The main form has fields for 'Item Code' (I0012), 'Item Name' (radiator), 'Units' (NOS), 'Opening quantity in hand' (100), 'Opening Rate', 'Purchase Rate Limit', 'Danger Reorder Quantity', 'Current Quantity' (100), 'Closing Value' (210000), 'Received Quantity' (0), 'Issued Quantity' (0), and 'Last Purchase Rate' (0). A modal dialog box titled 'Windows Internet Explorer' with a yellow warning icon displays the message: 'Item cannot be deleted as current quantity is not zero'. At the bottom are buttons for 'Add', 'Update', 'Delete', 'Save', 'Generate Report', 'Cancel', and 'Exit'. Below the form is a table titled 'Current Status of Item Master' with columns for Item Code, Item Name, Units, Opening Quantity, Opening Rate, Opening Value, Purchase Rate Limit, Closing Rate, Danger Reorder Quantity, Maximum Quantity, Current Quantity, Closing Value, Received Quantity, Issued Quantity, and Last Purchase Rate. The table shows one row for the radiator item.

Item Code	Item Name	Units	Opening Quantity	Opening Rate	Opening Value	Purchase Rate Limit	Closing Rate	Danger Reorder Quantity	Maximum Quantity	Current Quantity	Closing Value	Received Quantity	Issued Quantity	Last Purchase Rate
I0012	radiator	NOS	100							100	210000	0	0	0

The user may then again try to delete an item with quantity zero and he will get a message displaying successful operation.

This screenshot shows the same 'Item Master' application after the user has deleted the 'radiator' item. The 'Opening quantity in hand' field now contains '0'. A modal dialog box titled 'Windows Internet Explorer' with a yellow success icon displays the message: 'Item deleted successfully'. The rest of the application interface remains the same, including the 'Delete' button which is now greyed out. The 'Current Status of Item Master' table at the bottom shows two items: 'Pistons' and 'Engine oil'.

Item Code	Item Name	Units	Opening Quantity	Opening Rate	Opening Value	Purchase Rate Limit	Closing Rate	Danger Reorder Quantity	Maximum Quantity	Current Quantity	Closing Value	Received Quantity	Issued Quantity	Last Purchase Rate
I0001	Pistons	NOS	100	1000	100000	2000000	1020	35	500	110	91800	20	10	980
I0002	Engine oil	LTR	90	130	13000	100000	140	25	200	100	18200	20	20	128

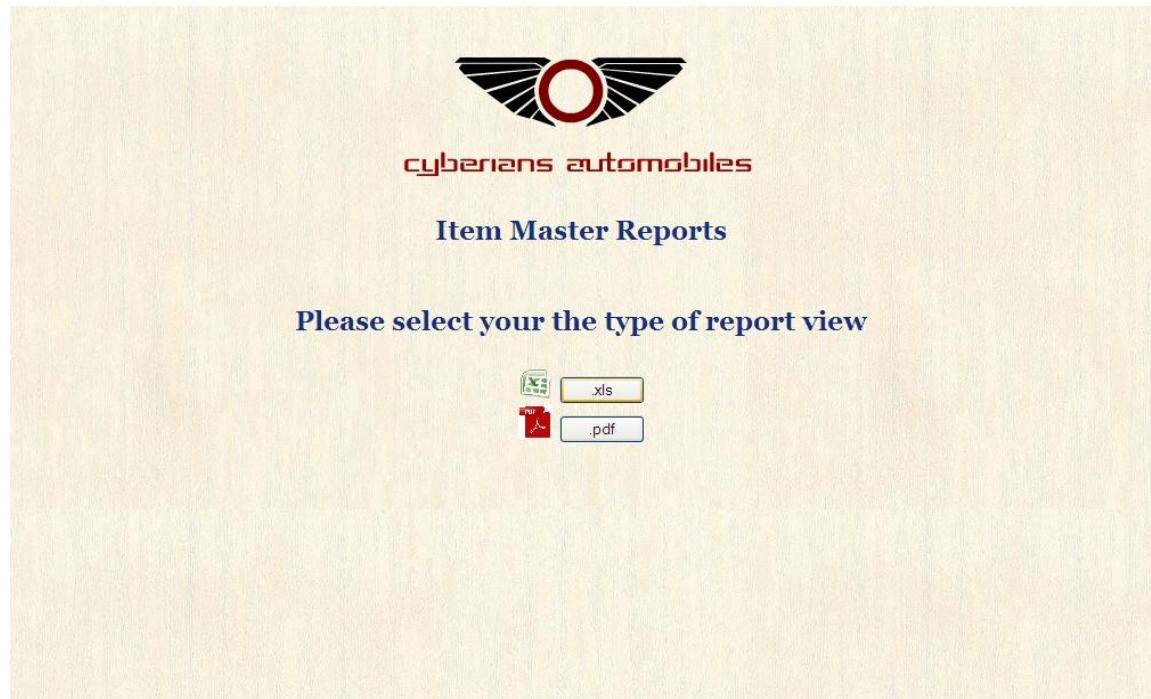

The table will be updated.

iv. Generate reports.

When the user clicks on generate reports following page will be displayed.

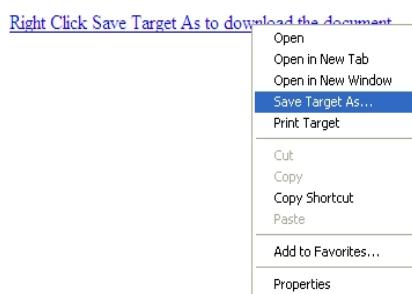

# CYBERIANS

On clicking .xls following page will be shown

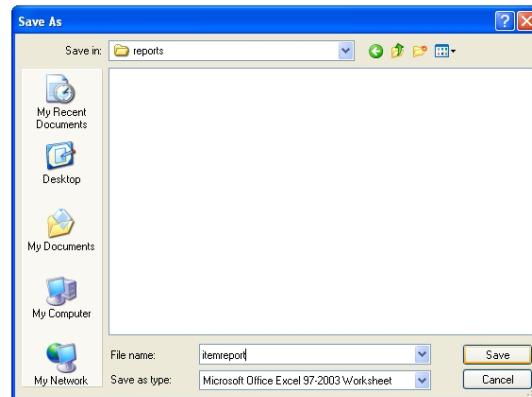

Right Click Save Target As to download the document

The user may then save the file as follows:

# CYBERIANS

Right Click Save Target As to download the document

The file looks like this.

A screenshot of Microsoft Excel showing a spreadsheet titled 'itemreport.xls' in Compatibility Mode. The spreadsheet contains data for 12 different items, each with a unique Item Code and corresponding details like Item Name, Per, Opening Quantity, Opening Rate, etc. The columns are labeled A through J, and the rows are numbered 1 through 32. The data is as follows:

	A	B	C	D	E	F	G	H	I	J
1	Item Code	Item Name	Per	Opening Quantity	Opening Rate	Opening Value	Purchase Rate Limit	Closing Rate	Danger Reorder Quantity	Maximum Quan

v. Exit

On clicking **Exit**, the following page will be displayed.

The screenshot shows the 'Item Master' screen of the CYBERIANS application. The interface includes a header with a logo and the text 'cyberians automobiles'. On the right, there is a 'Selected Mode:' dropdown. The main area contains several input fields and buttons. A 'Windows Internet Explorer' dialog box is centered over the screen, asking 'Do you want to close this window?' with 'Yes' and 'No' buttons. The input fields include:

Item Code	<input type="text"/>		
Units	<input type="text"/> NOS		
*Opening Rate	<input type="text"/>		
*Purchase Rate Limit	<input type="text"/>	Closing Rate	<input type="text"/>
*Danger Reorder Quantity	<input type="text"/>	*Maximum Quantity	<input type="text"/>
Current Quantity	<input type="text"/>	Closing Value	<input type="text"/>
Received Quantity	<input type="text"/>	Issued Quantity	<input type="text"/>
Last Purchase Rate	<input type="text"/>		

Below the form are several buttons: Add, Update, Delete, Save, Generate Report, Cancel, and Exit.

# CYBERIANS

## 5.2 Department Master

- When the user logs into the system, and clicks on to the Department Master page, he will see the following:

The screenshot shows a web-based application for managing departmental information. At the top right, there is administrator information: "Administrator", "Date: 16/3/2013", and "Time: 11:21". Below this is a logo of a red circle with wings. The main title "cyberians automobiles" is centered. On the right, there is a "Selected Mode" dropdown set to "Add". The form contains fields for mandatory inputs (marked with asterisks): "Department Code" (text box), "Department Name" (text box), "Department Address 1" (text box), "Department Address 2" (text box), "Department Address 3" (text box), "Department Incharge" (text box), and "Contact No" (text box). Below the form are buttons for "Add", "Update", "Delete", "Save", "Generate Report", "Cancel", and "Exit". A status bar at the bottom displays "Current Status of department Master".

### b. Functions

#### i. Add

The user then clicks in the add button and then fills in the detail. If he doesn't fill in a mandatory detail, a message will be shown.

This screenshot shows the same Department Master page as above, but with an error message displayed in a modal dialog box. The dialog is titled "Windows Internet Explorer" and contains a yellow warning icon and the text "Department Incharge must be filled out". There is an "OK" button at the bottom of the dialog. The rest of the page remains visible, including the form fields and buttons, though they appear slightly dimmed or inactive while the dialog is open.

# CYBERIANS

When the user fills in all the details and clicks on **save**, the entry will be registered in database

The screenshot shows a web-based application for managing departmental information. At the top right, there is a header with the text "Administrator", "Date: 16/3/2013", and "Time: 11:22". Below the header is a logo consisting of a red circle with wings and the text "cyberians automobiles". On the right side of the page, there is a message box titled "Windows Internet Explorer" with the text "Department saved successfully" and an "OK" button. The main form area contains fields for "Department Code", "Department Name", "Department Address 1" (with a value of "warehouse"), "Department Address 2" (with a value of "Kandivali West"), "Department Address 3" (with a value of "Mumbai"), "Department Incharge" (with a value of "Akshay Shah"), and "Contact No" (with a value of "9856784567"). Below the form is a row of buttons: "Add", "Update", "Delete", "Save" (which is highlighted in blue), "Generate Report", "Cancel", and "Exit". At the bottom of the page, there is a footer with the text "Current Status of department Master".

# CYBERIANS

## ii. Modify

When the user clicks on **update**, he will be asked to enter the code

Department code	Department Name	Department Address 1	Department Address 2	Department Address 3	Department Incharge	Contact No
D0001	Painting	Borivali	West	Mumbai	Rishabh	23456789
D0002	Welding	malad east			srushti	87679
D0003	Fitting	Warehouse	Kandivali West	Mumbai	Akshay Shah	9856784567

When the user clicks on the **save** button after changing the details, he will be asked confirmation if he wants to update the record.

Department code	Department Name	Department Address 1	Department Address 2	Department Address 3	Department Incharge	Contact No
D0001	Painting	Borivali	West	Mumbai	Rishabh	23456789
D0002	Welding	malad east			srushti	87679
D0003	Fitting	Warehouse	Kandivali West	Mumbai	Akshay Shah	9856784567

# CYBERIANS

When the user clicks on **ok** the record will be saved.

Current Status of department Master						
Department code	Department Name	Department Address 1	Department Address 2	Department Address 3	Department Incharge	Contact No
D0001	Painting	Borivali	West	Mumbai	Rishabh	23456789
D0002	Welding	malad east			srushti	87679
D0003	Fitting	Warehouse	Kandivali West	Mumbai	Akshay Shah	9856784567

### iii. Delete

When the user clicks on the **Delete** button, he will have to enter a correct code of the item which he wants to delete. After entering the code the following message will be displayed.

Current Status of department Master						
Department code	Department Name	Department Address 1	Department Address 2	Department Address 3	Department Incharge	Contact No
D0001	Painting	Borivali	West	Mumbai	Rishabh	23456789
D0002	Welding	malad east			srushti	87679
D0003	Fitting	Warehouse	Kandivali West	Mumbai	Akshay Shah	9856784567

# CYBERIANS

On clicking **Ok**, the department will be deleted.

Administrator  
Date:16/3/2013  
Time: 11:57

The screenshot shows a web page titled "Current Status of department Master". At the top right, there is administrator information: "Administrator", "Date:16/3/2013", and "Time: 11:57". Below this is a logo for "cyberians automobiles" featuring a stylized red 'O' with wings. A modal window titled "Windows Internet Explorer" displays a success message: "Department deleted successfully" with an "OK" button. The main form contains fields for "Department Code" (marked with an asterisk), "Department Name" (marked with an asterisk), "Department Address 1" (marked with an asterisk), "Department Address 2" (Kandivali), "Department Address 3" (Mumbai), "Department Incharge" (Akshay Shah), and "Contact No" (9875564312). Below the form are buttons for "Add", "Update", "Delete", "Save", "Generate Report", "Cancel", and "Exit".

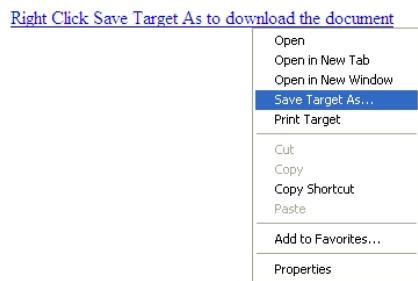

iv. Generate reports

When the Report Analyst or the Area Manager or the Administrator clicks on generate reports following page will be displayed.

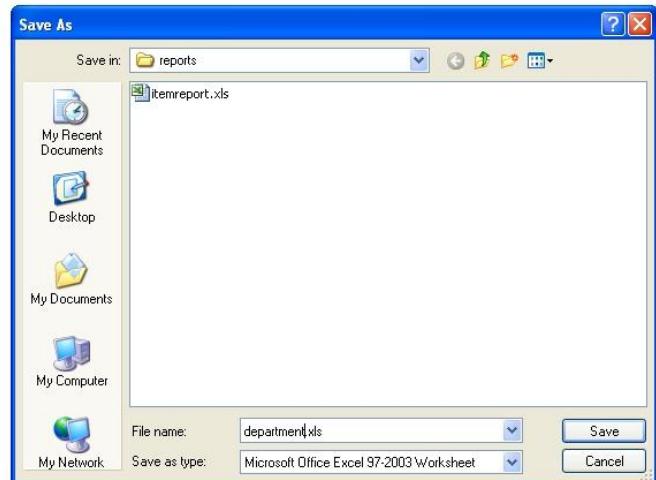

The screenshot shows a page titled "Department Master Reports". At the top center is the "cyberians automobiles" logo. Below it is the heading "Please select your the type of report view". There are four buttons for selecting report formats: ".xls" (highlighted in yellow), ".pdf", ".rtf", and ".txt".

# CYBERIANS

For .xls file the page following page will be shown.

Right Click Save Target As to download the document

# CYBERIANS

Now after saving the file, it will look like this.

The screenshot shows a Microsoft Excel spreadsheet titled 'department.xls'. The data is organized into columns A through H:

Department Code	Department Name	Department Address 1	Department Address 2	Department Address 3	Department Incharge	Contact No
D0001	Painting	Borivali	West	Mumbai	Rishabh	23456789
D0002	Welding	malad east			srushti	87679

On clicking the .pdf , the file will be opened in the browser.

The screenshot shows a PDF document viewed in Adobe Reader 7.0. The data is presented in a table with the following structure:

Department Code	Department Name	Department Address 1	Department Address 2	Department Address 3	Department Incharge	Contact Number
D0001	Painting	Borivali	West	Mumbai	Rishabh	23456789
D0002	Welding	malad east			srushti	87679

# CYBERIANS

## v. Exit

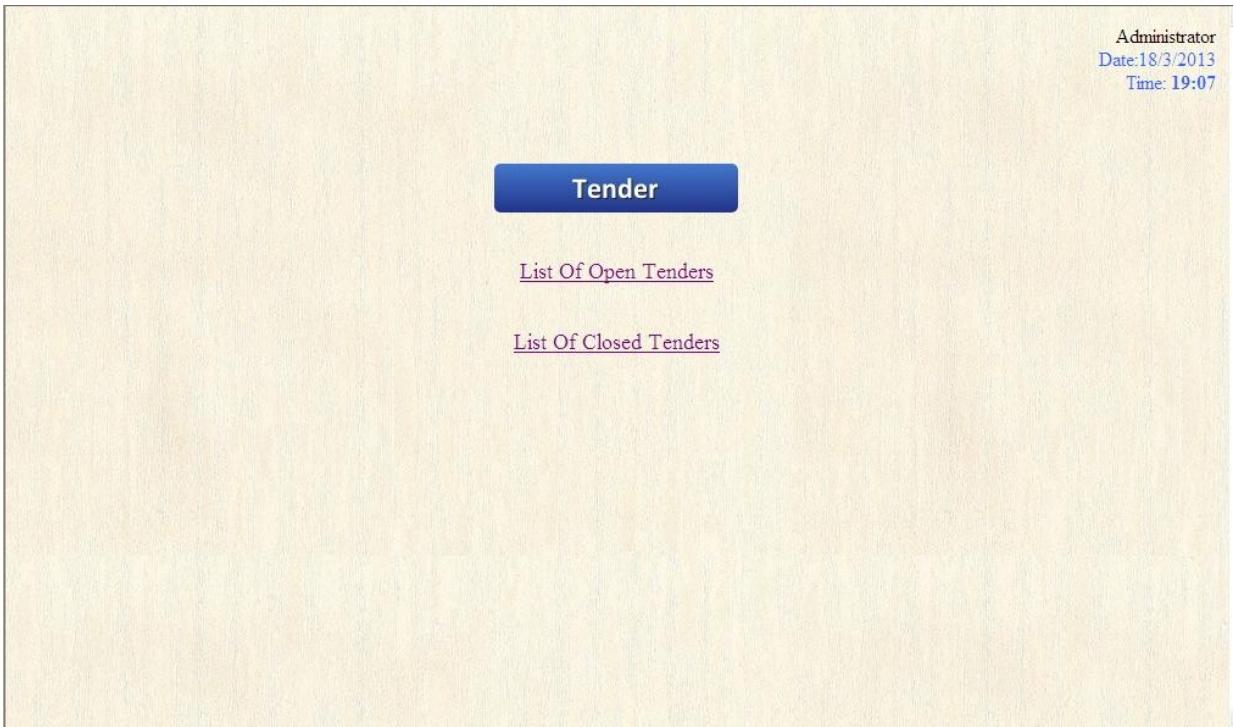

On clicking exit the following message will be displayed.

# CYBERIANS

## 5.3 Tender

- When the user logs into the system and clicks on Tender he will see the following page

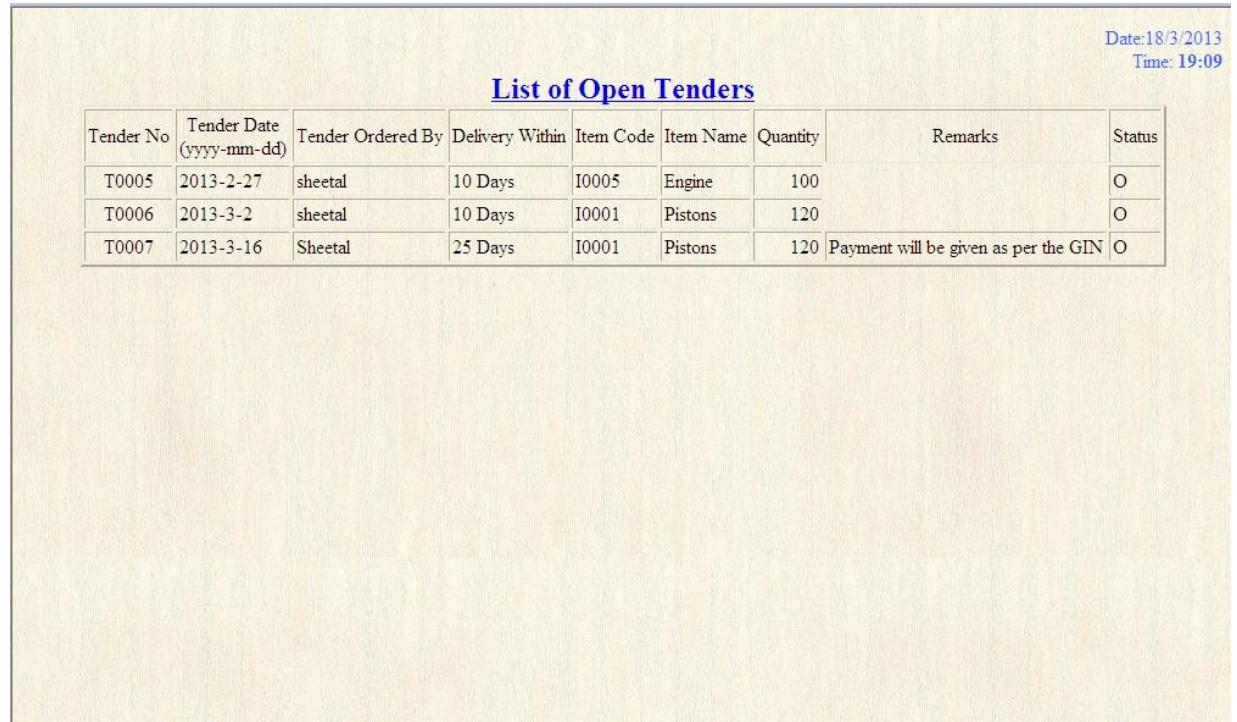

- When the user clicks on **List of Closed Tenders** he can see the following page

The screenshot shows a table titled 'List of Closed Tenders'. The table has nine columns: Tender No, Tender Date (yyyy-mm-dd), Tender Ordered By, Delivery Within, Item Code, Item Name, Quantity, Remarks, and Status. There are five rows of data:

Tender No	Tender Date (yyyy-mm-dd)	Tender Ordered By	Delivery Within	Item Code	Item Name	Quantity	Remarks	Status
T0000	2013-1-15	sheetal	2 months	I0001	pistons	100	null	C
T0001	2013-2-10	admin	15 days	I0002	Engine Oil	50	null	C
T0002	2013-2-11	Administrator	12 days	I0003	battery	30	null	C
T0003	2013-2-13	Admin	15 Days	I0005	Engine	45	null	C
T0004	2013-2-24	sheetal	20 Days	I0008	plug	100	null	C

# CYBERIANS

- c. When the user clicks on **List of Open Tenders** he can see the following page

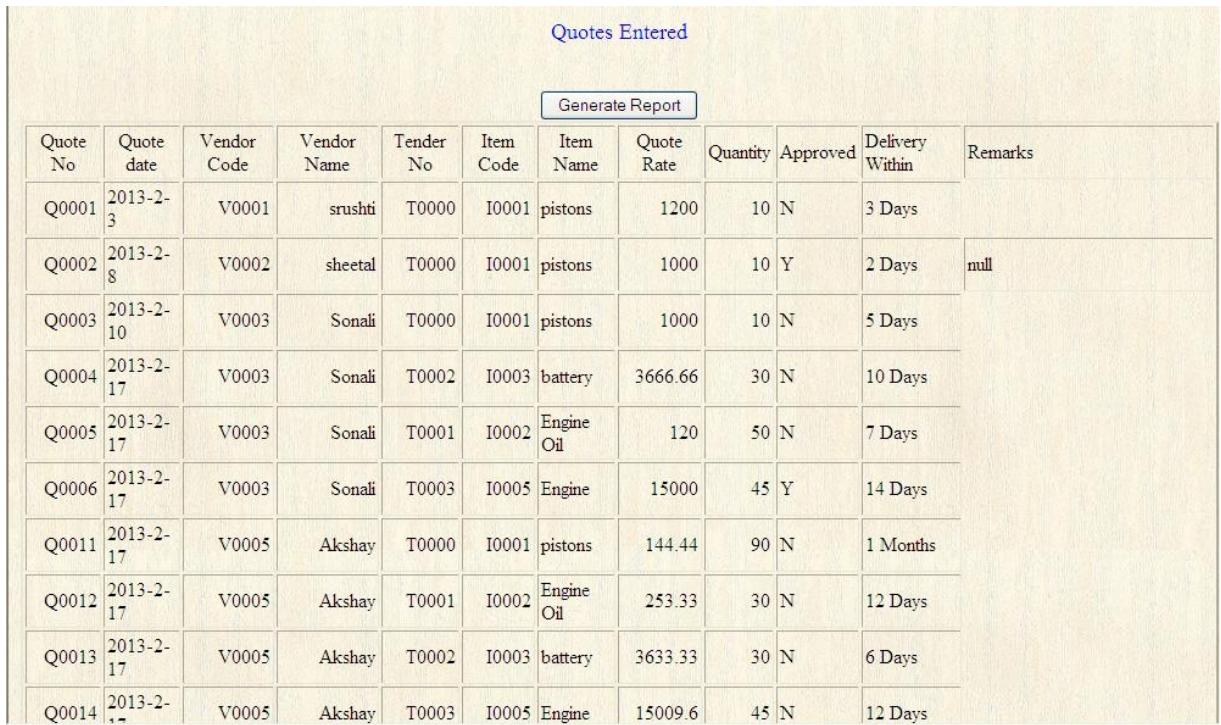

The screenshot shows a table titled "List of Open Tenders" with the following data:

Tender No	Tender Date (yyyy-mm-dd)	Tender Ordered By	Delivery Within	Item Code	Item Name	Quantity	Remarks	Status
T0005	2013-2-27	sheetal	10 Days	I0005	Engine	100		O
T0006	2013-3-2	sheetal	10 Days	I0001	Pistons	120		O
T0007	2013-3-16	Sheetal	25 Days	I0001	Pistons	120	Payment will be given as per the GIN	O

## 5.4 Quotes

- a. When the user logs into the system and clicks on Quotes, he can see the following page

The screenshot shows a table titled "Quotes Entered" with the following data:

Quote No	Quote date	Vendor Code	Vendor Name	Tender No	Item Code	Item Name	Quote Rate	Quantity	Approved	Delivery Within	Generate Report	
											Remarks	
Q0001	2013-2-3	V0001	srushti	T0000	I0001	pistons	1200	10	N	3 Days		
Q0002	2013-2-8	V0002	sheetal	T0000	I0001	pistons	1000	10	Y	2 Days	null

# CYBERIANS

- b. When the user clicks on Generate reports, he will be displayed the following page

On clicking .pdf , the file will open in the browser from where he can save.

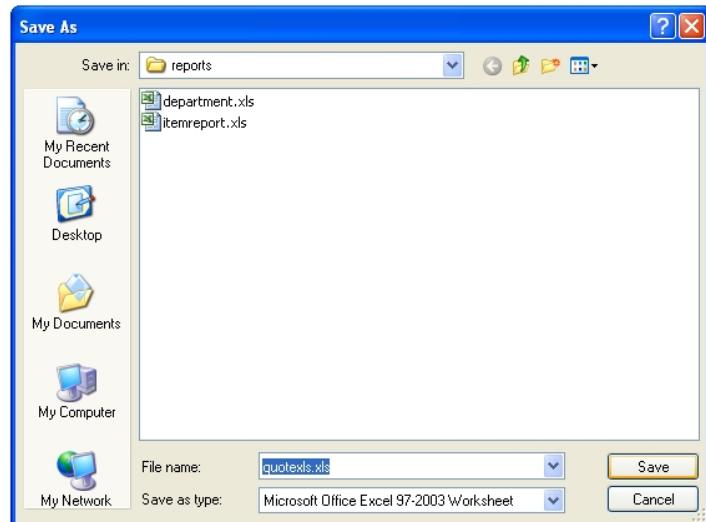

The screenshot shows a PDF document being viewed in Adobe Reader 7.0. The document contains a table with 15 rows of data. The columns represent various parameters such as Quote No, Quote Date, Vendor Code, Vendor Name, Tender No, Item Code, Item Name, Quote Rate, Quantity, Approved, Delivery Within, and Remarks. The data includes details like vendor names like srushti, sheetal, Sonali, and Akshay, item codes like I0001, I0002, I0003, etc., and quantities ranging from 10.00 to 100.00. The "Approved" column shows values N and Y, and the "Delivery Within" column shows values like 3 Days, 2 Days, 5 Days, etc.

Quote No	Quote Date	Vendor Code	Vendor Name	Tender No	Item Code	Item Name	Quote Rate	Quantity	Approved	Delivery Within	Remarks

# CYBERIANS

## 5.6 Tender Float

- When the user logs into the system and clicks on float tender, he will see the following page

- When he clicks on any link he will be redirected to a page from where he can float the tender.

A screenshot of a "Float Tender" form. The title "Float Tender" is at the top right. The form contains several input fields: "Tender No" (T0007), "Tender Date" (2013-3-16), "Tender Ordered By" (empty), "Item Code" (I0001), "Item Name" (Pistons), "Quantity" (empty), "Delivery Within" (Days dropdown menu), and "Remarks" (empty). At the bottom are three buttons: "Float Tender", "Back", and "Exit".

# CYBERIANS

When the user enters mandatory fields and then clicks on **Float Tender**, tender will be floated and added to the database register.

## 5.7 Issued Quantity

- When the user logs into the system and then clicks on Issued Quantity, then he will be redirected to a page which will look like this.

The screenshot shows a web-based application titled "Issued Quantity". At the top right, there is administrator information: Date: 18/3/2013 and Time: 19:14. Below the title, there are four input fields: Item Code, Item Name, Department Code, and Department Name. Underneath these are two more fields: Issued Quantity and Date of Issue (set to 2013-3-18). At the bottom of the form are four buttons: Add, Generate Report, Cancel, and Exit. Below the form is a table titled "Quantity Issued" with six columns: Item code, Item Name, Department Code, Department Name, Issued Quantity, and Issued Date. The table contains two rows of data:

Item code	Item Name	Department Code	Department Name	Issued Quantity	Issued Date
I0001	Pistons	D0002	Welding	10	2013-3-15
I0002	Engine oil	D0001	Painting	20	2013-3-16

- Add

When the user enters the mandatory fields and clicks on the **Add** button the following will be the page.

This screenshot shows the same "Issued Quantity" page as the previous one, but with a new row of data added to the "Quantity Issued" table. The "Add" button has been highlighted with a yellow box. The table now has three rows of data:

Item code	Item Name	Department Code	Department Name	Issued Quantity	Issued Date
I0001	Pistons	D0002	Welding	10	2013-3-15
I0002	Engine oil	D0001	Painting	20	2013-3-16
I0004	spark plug				

# CYBERIANS

Administrator  
Date:18/3/2013  
Time: 19:14

## Issued Quantity

Item Code	<input type="text" value="I0004"/>	Item Name	<input type="text" value="spark plug"/>
Department Code	<input type="text" value="D0002"/>	Department Name	<input type="text"/>
Issued Quantity	<input type="text"/>	Date of Issue	<input type="text" value="2013-3-18"/>

### Quantity Issued

Item code	Item Name	Department Code	Department Name	Issued Quantity	Issued Date
I0001	Pistons	D0002	Welding	10	2013-3-15
I0002	Engine oil	D0001	Painting	20	2013-3-16

Administrator  
Date:18/3/2013  
Time: 19:14

## Issued Quantity

Item Code	<input type="text" value="I0004"/>	Item Name	<input type="text" value="spark plug"/>
Department Code	<input type="text" value="D0002"/>	Department Name	<input type="text" value="Welding"/>
Issued Quantity	<input type="text"/>	Date of Issue	<input type="text" value="2013-3-18"/>

### Quantity Issued

Item code	Item Name	Department Code	Department Name	Issued Quantity	Issued Date
I0001	Pistons	D0002	Welding	10	2013-3-15
I0002	Engine oil	D0001	Painting	20	2013-3-16

# CYBERIANS

When the user enters an issue quantity greater than the current quantity the following message will be displayed.

Administrator  
Date: 18/3/2013  
Time: 19:14

**Issued Quantity**

Item Code	I0004	Item Name	spark plug
Department Code	D0002	Department Name	Welding
Issued Quantity	3000	Date	Windows Internet Explorer

Add      OK      Exit

Item code	Item Name	Dept	Issued Quantity	Issued Date
I0001	Pistons	D0002	Welding	10
I0002	Engine oil	D0001	Painting	20
				2013-3-15
				2013-3-16

After correction and clicking the button again, quantity will be issued.

c. Generate Reports

When the user clicks this button, he will be taken to the following page

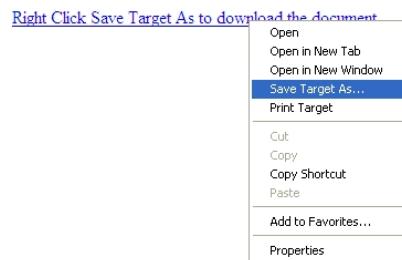

**Issue Quantity Reports**

Please select your the type of report view

Item Code	<input type="text"/>	Item Name <input type="text"/>			
Quantity	<input type="text"/>	Remarks <input type="text"/>			

**Current Status of Purchase Return**

Purchase Return No	Purchase Return date	Vendor Code	Vendor Name	Item Code	Item Name	Quantity	Remarks
P0000	2013-2-28	V0006	Rishabh	I0002	Engine Oil	12	
P0001	2013-3-16	V0006	Rishabh	I0002	Engine Oil	10	
P0002	2013-3-16	V0001	srushti	I0001	pistons	21	Pistons were cracked
P0003	2013-3-18	V0006	Rishabh	I0002	Engine Oil	3	

# CYBERIANS

The user will then be asked a confirmation message, whether he wants to update the record.

The screenshot shows the "Purchase Return" screen of the "cyberians automobiles" application. The form includes fields for Purchase Return Number (P0003), Purchase Return Date (Year 2013, Month 3, Day 18), Quote Number (Q0015), Vendor Code (V0006), Item Code (I0002), and Quantity (4). A confirmation dialog box titled "Windows Internet Explorer" is overlaid, asking "Do you want to update this purchase return status?" with "OK" and "Cancel" buttons. Below the form are buttons for Add, Update, Delete, Save, Generate Report, Cancel, and Exit. A table titled "Current Status of Purchase Return" displays data for four purchase returns, including vendor information and remarks like "Pistons were cracked".

Purchase Return No	Purchase Return date	Vendor Code	Vendor Name	Item Code	Item Name	Quantity	Remarks
P0000	2013-2-28	V0006	Rishabh	I0002	Engine Oil	12	
P0001	2013-3-16	V0006	Rishabh	I0002	Engine Oil	10	
P0002	2013-3-16	V0001	srushti	I0001	pistons	21	Pistons were cracked
P0003	2013-3-18	V0006	Rishabh	I0002	Engine Oil	3	

- e. The user then makes the necessary changes and then clicks on the **Save** button. The changes will be reflected in the database as well as in the table.

The screenshot shows the "Purchase Return" screen after changes have been saved. The form now displays updated values: Vendor Name (Rishabh) and Item Name (Engine Oil) for the entry with Item Code I0002. The confirmation dialog box is no longer present. The "Save" button has been clicked. The "Current Status of Purchase Return" table remains the same as in the previous screenshot.

# CYBERIANS

- c. After entering all the details when the user clicks on the **Save** button the record will be added into the database.

The screenshot shows the 'Payment' page of the Cyberians Automobiles system. The header features the company logo and name. The main form contains fields for Voucher Number (2), Voucher Date (Year: 2013, Month: 3, Day: 18), Goods Inward Number (G0001), Vendor Code (V0006), Vendor Name (Rishabh), Bank Name (HDFC bank dahisar west), Cheque Number (78965), Amount (2399.6), and Remarks. Below the form is a table titled 'Current Status of Payment' showing two records. A success dialog box is overlaid on the page, stating 'Record saved successfully' with an OK button.

Voucher Number	Voucher Date	Goods Inward Number	Vendor Code	Vendor Name	Bank Name	Cheque Number	Remarks	Amount
0	2013-3-3	G0001	V0006	Rishabh	ICICI	234567		14400
1	2013-3-16	G0001	V0006	Rishabh	SBI Malad West	236787		2399.6

This screenshot is identical to the one above, showing the 'Payment' page with the same fields and table. The difference is the presence of a 'Windows Internet Explorer' dialog box in the center, which displays a yellow warning icon and the message 'Record saved successfully' with an 'OK' button.

Voucher Number	Voucher Date	Goods Inward Number	Vendor Code	Vendor Name	Bank Name	Cheque Number	Remarks	Amount
0	2013-3-3	G0001	V0006	Rishabh	ICICI	234567		14400
1	2013-3-16	G0001	V0006	Rishabh	SBI Malad West	236787		2399.6

## f. Generate Reports

When the user clicks this button, he will be taken to the following page

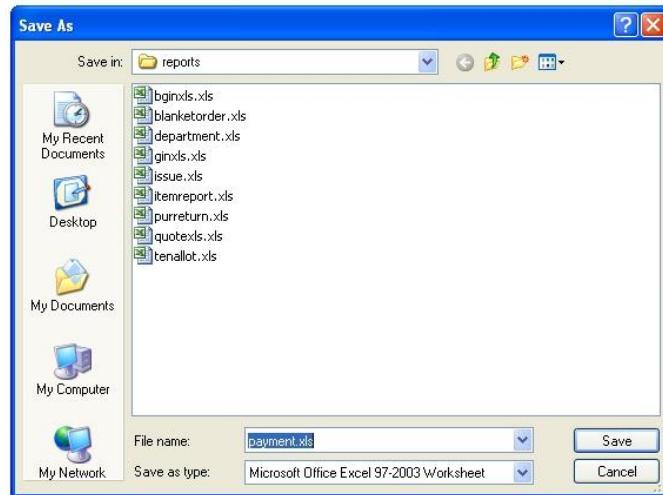

He may download the .xls file in this way.

# CYBERIANS

[Right Click Save Target As to download the document](#)

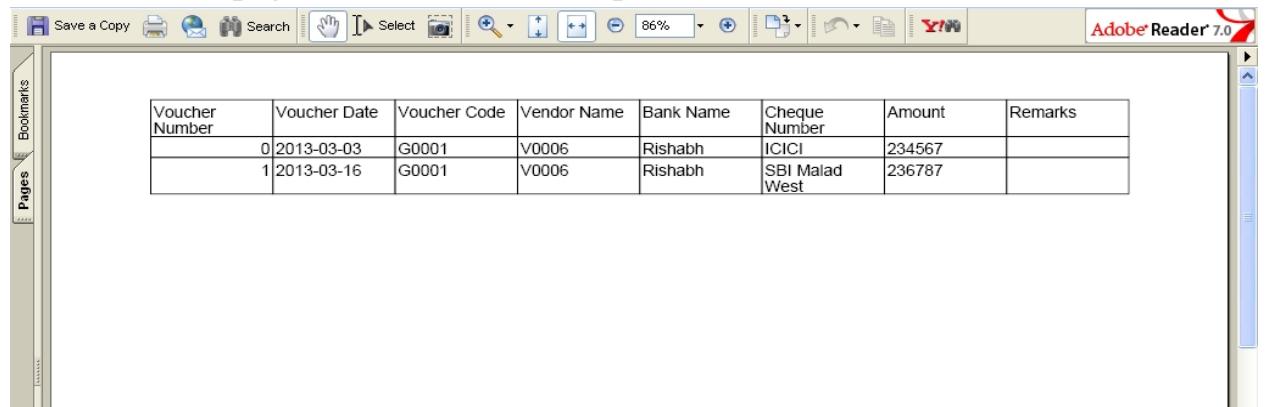

The file will look like this

A screenshot of Microsoft Excel showing a spreadsheet titled 'payment.xls'. The spreadsheet has a header row with columns labeled A through L. The data starts at row 1, with rows 1, 2, and 3 containing data. Row 1 has a formula in cell A1: =Voucher No. Row 2 has values: Voucher Date (2013-03-03), Goods Inward No (G0001), Vendor Code (V0006), Vendor Name (Rishabh), Bank Name (ICICI), Cheque No (234567), Remarks (14400.00), and Amount (2399.60). Row 3 has values: Voucher Date (2013-03-16), Goods Inward No (G0001), Vendor Code (V0006), Vendor Name (Rishabh), Bank Name (SBI Malad West), Cheque No (236787), Remarks (2399.60), and Amount (2399.60). The rest of the rows are blank up to row 32. The bottom status bar shows 'Ready'.

# CYBERIANS

He may download .pdf file by clicking on the button and he will be redirected to a page where the file will open in the browser.

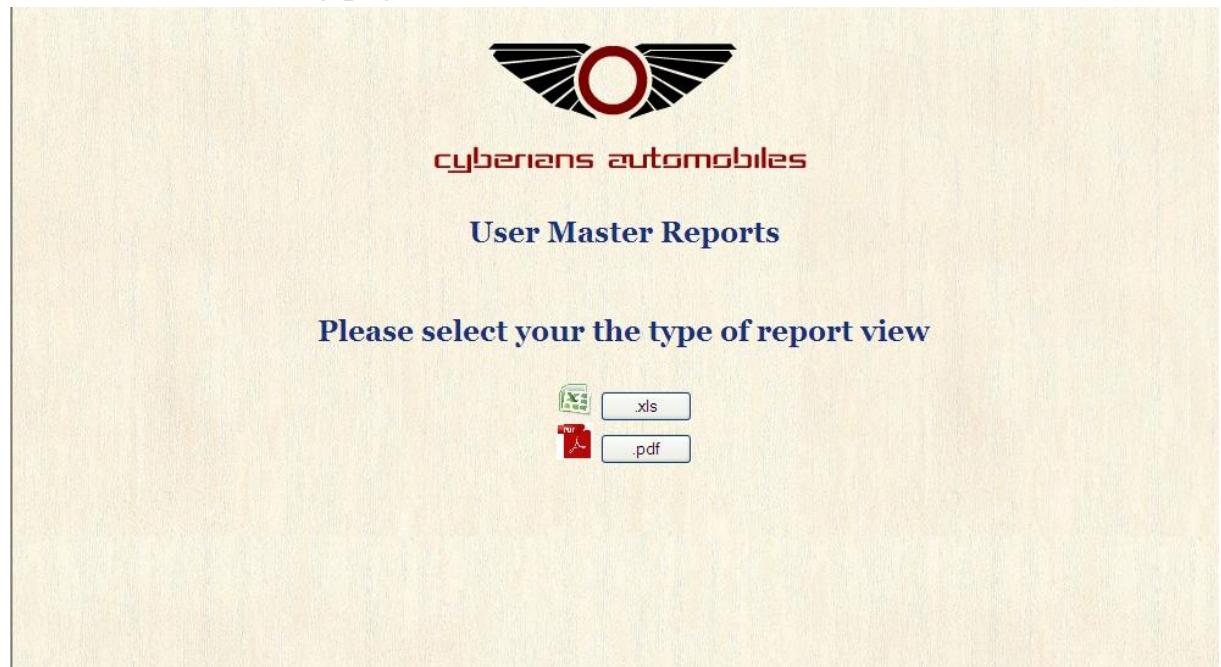

The screenshot shows a PDF document in Adobe Reader version 7.0. The document contains a table with the following data:

Voucher Number	Voucher Date	Voucher Code	Vendor Name	Bank Name	Cheque Number	Amount	Remarks
0	2013-03-03	G0001	V0006	Rishabh	ICICI	234567	
1	2013-03-16	G0001	V0006	Rishabh	SBI Malad West	236787	

## 5.14 User Master Reports

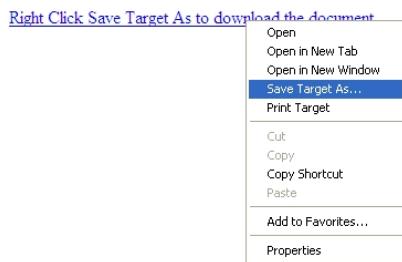

When the Report Analyst log into the system and clicks on this button he will see the following page

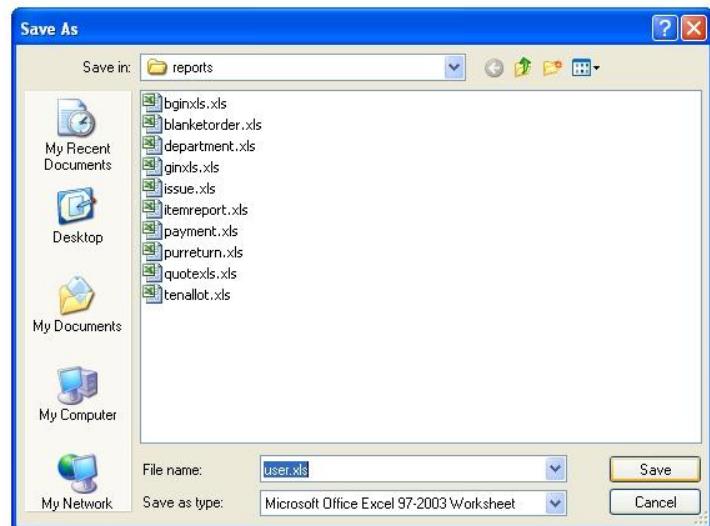

The screenshot shows the 'User Master Reports' page for Cyberians Automobiles. The page features a logo with wings and the company name 'cyberians automobiles'. Below the logo, the title 'User Master Reports' is displayed in bold blue text. A message 'Please select your the type of report view' is centered. At the bottom, there are two sets of icons and labels: 'xls' with an Excel icon and '.pdf' with a PDF icon.

# CYBERIANS

He may download the .xls file in this way.

Right Click Save Target As to download the document

# CYBERIANS

The file will look like this

A screenshot of Microsoft Excel showing a spreadsheet titled "user.xls". The data is organized into two columns: "User ID" and "User Level". The first row is a header. The data rows are as follows:

User ID	User Level
abcd	M
akshay	M
rishabh	R
sheetal	A
srushti	D
user1	R

He may download .pdf file by clicking on the button and he will be redirected to a page where the file will open in the browser.

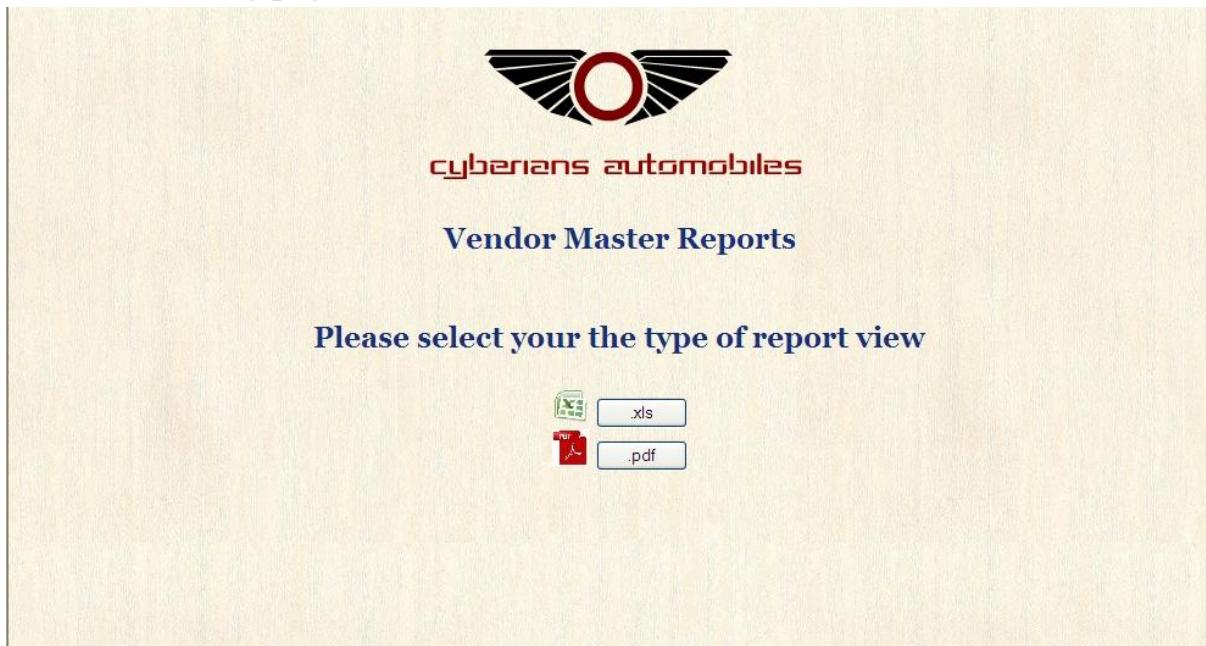

A screenshot of Adobe Reader 7.0 displaying a PDF document. The PDF contains a table with the same data as the Excel spreadsheet, showing "User ID" and "User Level" for six users. The table is as follows:

User ID	User Level
sheetal	A
srushti	D
akshay	M
abcd	M
user1	R
rishabh	R
